We take care of the details so you can fully  
immerse yourself in the pleasures of the  
open water.

LM  
LEVEL YACHTS

# Reputation comes from quality and quality is our pledge

From the selection of resin and structural components, to the precision-engineered wiring and electrical connectors for every system aboard, each detail is chosen to withstand the most challenging environments and conditions.

# Level helm seats

Our exclusive premium seats, crafted to meet the impeccable standards of Level Yachts, elevate the boat's image with a striking, sportier, and more dynamic look, capturing the essence of luxury.

# Uncover the mastery in electrical wiring design

---

Level Yachts collaborates with top-tier suppliers specializing in the production of heavy-duty wiring for a diverse range of applications, including land and sea military vehicles, heavy industrial machinery, commercial vehicles, fire suppression systems, autonomous driving systems, precision components, and leading vehicle manufacturers globally.

Our Weatherproof Electrical System with Individual Circuit Protection undergoes rigorous testing and quality control at every stage of production, including computer testing on the final stage.

Reputation comes from quality  
and quality is our pledge.

# Deck layout

---

The Deck layout of your Level Yacht has been meticulously designed with the understanding that the heart of your anchoring experience at your favorite cove lies at the closest access to water.

That's why Level offers the largest side wings in its category precisely where you need them, expanding the beam of the boat to that of an 80-foot yacht, and featuring a submersible swim platform for unparalleled access to the water.

# Level interior

---

Level presents an exquisite selection of light and bright woods, exuding organic textures for owners seeking a timeless, high-end interior. For those with a penchant for a warmer, more elegant ambiance, darker woods are also available.

Whether you opt for light or dark woods, enhance your selection with a semi-gloss or full gloss finish, bestowing your interior with a sophisticated sheen and contemporary allure. Harmonize your wood details with your chosen hull and upholstery colors, crafting a unique and personalized design.

The cabin options offer both open and closed bow configurations. Choose from three distinct stern cabin arrangements: two single beds, a double bed complemented by a sofa-bed, or a clean stern cabin perfect for additional storage. Every detail of your Level interior is designed to embody the pinnacle of refined luxury and craftsmanship, ensuring an experience of elegance and comfort.
